

## SUMMER PALMER BALL INFORMATION 2022

Thank you for your interest in the Palmer Ball Program.

The Palmer Summer Softball program began in the summer of 1983. The program has continued to grow in the past 39 years. The program doesn't just have softball anymore. We also have coach pitch ball and tee ball. The program is still going strong and has over 200 youth every Monday night throughout the summer. Palmer softball has been around for generations! We have some families that the grandparents played or coached, their sons or daughters have played and coached and now their sons and daughters play too. The whole family can all play the same night from 5 year olds to 14 year olds. The teams are coached by program volunteers and parents. The softball program is run by volunteer committee members also with help from the Palmer Park Rec and Maintenance to maintain the grounds and fields.

The youth co-ed softball program is played at Palmer Township Park, 4180 105th Avenue SE, Clear Lake in Sherburne County. The park is a 22-acre park which has playground equipment for the kids, horseshoe pits, a tennis court, a sand volleyball court, a half basketball court, onsite bathrooms and a concession stand. The teams stay in the park each Monday and no traveling to other towns or playing on weekends.

**Season Dates:** The 2022 Palmer Ball Program begins Monday, June 6th and ends Monday, July 18<sup>th</sup>. There is no ball scheduled for Monday, July 4<sup>th</sup>. The program is separated into 3 different co-ed divisions.

\*\*\*\*\*
